

Carbon Dioxide (CO₂)

Carbon Dioxide extinguishers are mainly used to cover electrical risks and also can extinguish smaller flammable liquid fires. The gas is clean and common places for use include computer server rooms and offices. Jewel Fire Group Carbon Dioxide extinguishers are assembled in the UK and we supply the 2Kg with a frost-free safe horn and the 5Kg with hose and horn as standard.

Key Benefits

- 10 year warranty from date of manufacture
- Aluminium cylinders – lighter than steel equivalent and lower risk of corrosion
- 2Kg and 5Kg versions Marine Equipment Directive Approved recycling capability
- Refunds for return of cylinders at end of life (see Cash for Cans)
- Boxed for safe transportation
- Recycling Capability
